## **DETAILED ACTION**

### ***112 Rejections Withdrawn***

The rejection of claims 1-18 under 35 USC 112, second paragraph, outlined in the previous Office Action, has been overcome by applicant's amendment. With respect to claims 6, 13 and 17, the amendment cancels the claims. With respect to claims 1 and 14-16, the amendment clarifies the claims as appropriate. With respect to the remaining claims, the rejection is moot.

### ***101 Rejections Withdrawn***

The rejection of claim 17 under 35 USC 101, outlined in the previous Office Action, has been overcome by applicant's amendment. The amendment cancels the claim.

### ***102 Rejections Withdrawn***

The rejection of claims 1-5 under 35 USC 102(b), outlined in the previous Office Action, has been overcome by applicant's amendment. The amendment narrows the claims and rewrites them as claims to a pharmaceutical composition.

### ***Allowable Subject Matter***

Claims 1-5, 7-12, 14-16 and 18 are allowed. The following is an examiner's statement of reasons for allowance:

Art Unit: 1621

The closest prior art remains the prior art of record. As stated above, the claims have been narrowed with respect to the set of compounds taught and have been recast as claims to a pharmaceutical composition. The cited prior art neither teaches nor suggests such compositions. Nor would it have been obvious to one of ordinary skill in the art at the time of invention to modify the compositions of the prior art in order to arrive at those of the instant invention. There is no motivation to do so.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
